

# DRI•ZORB® Natural Corn Cob Absorbent

## 5x Absorbency Providing Superior Value Advantage

### The DRI•ZORB Difference:

- All-natural, 100% corn cob
- Superior absorbency (5x)
- Low cost per use
- Lightweight
- Multi-application use
- Silica free
- Product of U.S.A.

### Multi-Application Clean-Up

DRI•ZORB quickly absorbs motor oils, fuels, transmission fluid, grease, coolant, water, brine, paint and other spills\*.

### Superior Absorption Power

With an absorption capacity of 5-to-1\*\*, DRI•ZORB outperforms clay, sawdust and other granular absorbents. Greater absorption power means less product required, providing you with material, labor and disposal savings.

### Safe and Environmentally Friendly

With corn cob as its only ingredient, DRI•ZORB is an all natural, biodegradable, virtually dust-free absorbent, achieving the USDA's certification as a BioPreferred product.

### Efficient, Multi-Purpose Absorbent

DRI•ZORB is designed for a wide variety of applications:

- Home
- Garage
- Manufacturing
- Sports Fields
- Airport
- Transportation
- Farm
- Drilling

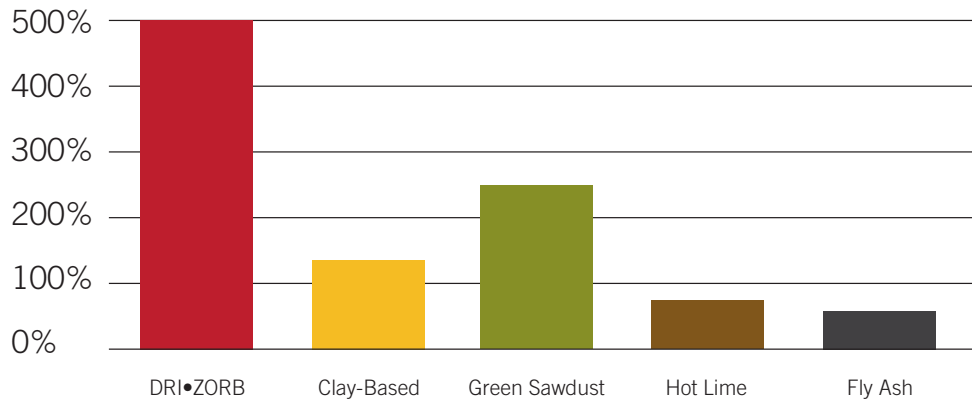

\* Not recommended for absorbing strong oxidizing agents, strong acids or caustics.

\*\* 5-to-1 claim on weight to weight absorption of water. Fluids and absorbency rates vary by application. Rates listed herein should be treated as approximations.

# DRI•ZORB® Natural Corn Cob Absorbent

## Absorption Rates of Water<sup>1</sup> Weight to Weight Absorption

DRI•ZORB holds a clear competitive advantage, absorbing up to 5x as much water as alternative substrates.

## Less Material Required Saves Time & Money<sup>1</sup>

DRI•ZORB requires fewer truckloads per job. Fewer truckloads means less trips to the landfill, less material stored on site, and a lower disposal cost per pound.

## Truckloads Required to Absorb 120 Cubic Yards of Water<sup>2</sup>

Only 1 truckload of DRI•ZORB is required to absorb 120 cu. yds. of water vs. 4 to 8 truckloads of competing products.

## Packaging

Product	Description	Unit Size	Units/PL	Lbs/TL
1040XRP	DRI•ZORB (Bulk Truck)	Bulk Truckload	N/A	50,000
	DRI•ZORB (Bulk Bag)	1,600 lb. Bulk Bag	1	41,600
15006	Consumer DRI•ZORB	40 lb. Bag	48	42,240

Made of 100% all-natural corn cobs. DRI•ZORB is a USDA BioPreferred listed product.

P.O. Box 119 Maumee, Ohio 43537  
1-866-234-0505, Ext. 6611

<sup>1</sup> Absorbency based on weight of liquid absorbed by substrate. Testing executed under controlled conditions by ANDE laboratory, January 2016

<sup>2</sup> Truckloads defined as shipping 45,000 lbs of product for all but Green Sawdust, which given its low density is assumed to ship between 20,000 lbs of product per truckload.
